SUMMARY

A dedicated, responsible, and hard-working individual eager to apply my skills in coding and make a positive impact in the world of technology. I would want be one among those who aspires to make the world a better place for the future generations. Strong logical and analytical thinking skills enable me to approach problems from multiple angles and develop effective solutions.

EDUCATION

Bachelors in Computer Science	**8.82 CGPA**
Bangalore Institute of Technology, Bangalore	2022 – 2026
Pre-University Course (PUC)	**94.5%**
RV PU College, Bangalore	2020 - 2022
Secondary School Leaving Certificate (SSLC)	**97.12%**
Sri Kumaran Children's Home, Bangalore	2019 - 2020

TECHNICAL SKILLS

- Java
- C
- Python
- SQL

PROJECTS

Student Management System

- Designed and implemented a student management system using XAMPP server, enabling efficient management of the number of students enrolled for the particular courses, attendance record of the particular student and the courses offered. Utilized PHP and MYSQL for data handling and Python for the user interface development.

CERTIFICATIONS

- Java – certified by 1stop E-Cell, IIT Roorkee
- Design and Analysis of algorithms – certified by Udemy
- Data Structures and Algorithms – certified by Infosys Springboard

ACHIEVEMENTS

- Led a group project to design and develop a student management database system using PHP and SQL .
- Orated many events at school and college levels.
- Participated in 2 coding events held at college level.

CAREER SKILLS

- Logical Analysis
- Team collaboration
- Creative

HOBBIES

- Content Writing
- Reading books
- Singing
